ELITE 370

RC-370

Introduction

The new Elite 370 builds upcon Cooler Master expertise and delivers high-end features in the affordable market space. Cooler Master believes that just because something is affordable, it doesn't have to lack features or be a "budget" product.

The Elite 370 features a classic black Cooler Master desing with clean, yet attractive lines. It has been built to last and uses high quality materials, unlike many "budget" products that tend to use cheaper materials that don't last. It's also been designed to keep the components inside the case cool and not only does it have space for plenty of additional cooling fans, but it can also be fitted with large CPU coolers, such as the Cooler Master Hyper 212 Plus.

Specifications

Available Color	Black
Material	Steel Body ; ABS plastic
Dimension (W / H / D)	190 x 424 x 490 mm / 7.5 x 16.7 x 19.3 inch
Weight	Net Weight: 4.7kg / 10.3 lb
Motherboard Type	ATX /Micro-ATX
5.25" Drive Bay	3 Exposed
3.5" Drive Bay	5 Hidden / 1 Exposed
I/O Panel	USB 2.0 x 2 , Mic x 1 , Audio x 1
Expansion Slot	7
